

SOPLAIR

INTERIOR INSULATION

BLACKOUT CURTAINS

Our blackout curtains are double skinned with black and grey jersey to protect you from the sunlight during the day! The brass snap fasteners on the sides ensure that the curtains close completely and prevent rusting due to moisture.

KEY POINTS

PROTECTION

Protects from light of the sun during the day.

PERFORMANCE

Dense blackout curtain sewn in double skin with black and grey jersey.

FIXING

Attached to the interior of the vehicle by means of 2 top and bottom rails.

FIRE RESISTANCE

Flame retardant, non-flammable, does not melt or burn in accordance with the European Directive 95/28/EC.
