FOLDING TABLE

Table pliant SOPLAIR Table 1,43 x 80x60cm

FLEX BAMBOU

With the FLEX BAMBOO model, we have taken up the challenge of designing a truly robust table for up to 4 people with a minimal footprint.

It can be folded in 4 for you, and be forgotten in your hold or your trunk, stored in its transport bag. In a few seconds, it unfolds to offer you a solid and stable table with its adjustable legs. The aluminium and bamboo materials guarantee a product that will not deform over time or when folding and unfolding.
