## TRADITIONAL AWNING

### MARMARA

Soplair offers you a great panorama with the MARMARA model! Streamlined and airy, this model allows you to enlarge your living space as if you were outside thanks to its very large openings. You can share meals with your family, enjoy a coffee break or simply read your holiday novel in the shade in the awning while admiring your surroundings. In case of strong heat, draw the curtains and rest in the shade!

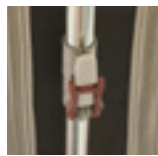

#### THE MANUFACTURER'S WORD

“ The large panoramic windows provide unparalleled light and make the Marmara awning a pleasant place to live. ”
